Testing: Jest, RSpec, React Testing Library

General: Version Control/Git, Github, Postman, PGAdmin, NPM, VS Code, Trello, Spanish fluency

EDUCATION

LEARN Academy, San Diego, CA (Remote)

January 2024 - May 2024

Full-Stack Web Development Certification

Coursework completed in HTML, CSS, JavaScript, React, Ruby, Ruby on Rails, and PostgreSQL through 640 hours of coding experience and education. Practiced Test-Driven Development using Jest, RSpec, and React Testing Library, and created over 9 different working projects using the above skills, including a final capstone project hosted on Render.

PROJECTS

Flat Finder, Apartment App | Frontend: shorturl.at/9dqhk, Backend: shorturl.at/rolDu

React.js, Reactstrap, Ruby on Rails, Devise

Full-stack decoupled web application for listing and finding apartments. Utilized Devise for user authentication and authorization, implementing data validation in the sign-up process.

Bank Buddy | capstone-frontend-yx8y.onrender.com/

React.js, Reactstrap, Ruby on Rails, Devise

Full-stack decoupled web application, hosted on Render. Multi-user budgeting application, allowing users to collaborate on funds for events or expenses.

WORK EXPERIENCE

Pacific Seafood

Production Worker

September 2022 – January 2024

- Adapted daily schedule based on order availability and incoming/outgoing shipments, ensuring all order deadlines were met.
- Oversaw the training of 3 new employees on warehouse operations, safe food handling, and procedural adherence, fostering a skilled and competent workforce.
- Managed the organization of 45,000 lbs of seafood inventory, including packing boxes, stacking pallets, utilizing a forklift, and loading vehicles with orders.

DMC Power

TIG Welder II

June 2018 – September 2021

- Assessed project requirements and utilized appropriate gas and arc welding and thermal grinding/cutting procedures to connect metal components.
- Assigned as quality control and repair, ensuring all pieces were machined to appropriate specifications and damaged or broken weldings were repaired before shipping.

Taxco Restaurant

Front of House and Deliveries

August 2013 – April 2018

- Supported all front-of-house duties including, host stand, taking orders, bussing tables, and serving food, providing customers with a hospitable dining experience.
- Delivered orders in a 10-mile radius of the restaurant, ensuring on-time deliveries and prompt service.
- Exceptional interpersonal and team-building skills with an aptitude for building rapport with a diverse range of customers, managers, and colleagues; talent for quickly resolving issues prior to escalation.
